Make the most of the long weekend and hop on a train, go Easter-egg hunting or enjoy some delicious bubbly

Stars of Sandstone Steam & Heritage Festival **Ficksburg**

The spectacular Sandstone Estate near Ficksburg, with its world-renowned, 26-kilometre, narrow-gauge railway plus its airstrip, is the setting for this annual celebration of all the steam-driven vehicles and machines that have been restored to pristine condition by Wilfred Mole and his team. A variety of transport is on show, from vintage aeroplanes, military vehicles, trek oxen, old tractors and steam lorries to traction engines, locomotives, and old buses and cars. Old tractors and other agricultural relics in mint condition are also on display, plus there's a special Armour Parade and various other military activities.

AfrikaBurn **Tankwa Karoo**

South Africa's annual desert event is back with the theme Ephemopolis. Join the fun in the city of art, and build structures for the bonfire, wear wacky costumes, visit theme camps and enjoy a variety of music. Nothing but ice is for sale at the event, so be prepared to share what you have and know that others will do the same.
